RESUMÉ

Qualified English teacher, graduate of the École Normale Supérieure Assia DEJEBAR Constantine (ENSC), with a strong pedagogical background. I am committed to delivering knowledge dynamically and enhancing learners' language skills. Passionate about educational innovation, I offer modern approaches to promote student success and development.

PROFESSIONAL EXPERIENCE

Trainee teacher in English at Larbi Moussa Middle School, Zouaghi, Constantine, as part of the ENSC training program. Oct 2023 - February 2024.

- **Lesson Planning and Preparation:** Ability to design lessons tailored to students' needs and set clear learning objectives.
- **Classroom Management:** Skills in managing student behavior, maintaining order, and creating a positive learning environment.
- **Varied Teaching Methods:** Use of diverse teaching approaches (e.g., communicative methods, ICT, interactive learning) to foster student engagement.

Extra English Courses – ESL Ben Mhidi Private School (all levels) February 2024 - Present.

- **Teaching Adaptation:** Ability to personalize lessons according to students' levels and specific needs.
- **Language Skills Enhancement:** Improving students' English proficiency with a focus on grammar, vocabulary, and listening and reading comprehension.

English Teacher – CEM Berari Lakhmissi (El Bouni, Annaba) September 2024 - Present.

- **Differentiated Pedagogy:** Application of varied teaching methods learned during ENSC training to address the specific needs of each student.
- **Classroom Management and Facilitation:** Skilled in managing the learning environment and leading interactive lessons that encourage active student participation.

Content Creation and Podcasts on Instagram – @ensc_students (18k followers)

- I manage a community of over 18,000 followers on Instagram, where I create a variety of educational content, including posts, practical advice, and resources for students. In addition to written content, I produce podcasts to provide exclusive information and useful interviews, particularly about admission to ENSC and the student journey. These initiatives aim to support and guide students throughout their academic path while strengthening engagement within the community.
